FundGrade A+® is used with permission from Fundata Canada Inc., all rights reserved. The FundGrade A+® Awards are presented annually by Fundata Canada Inc. to Canadian investment funds that achieve consistently high FundGrade scores through an entire calendar year. The FundGrade A+® calculation is supplemental to the monthly FundGrade ratings and is calculated at the end of each calendar year. The FundGrade rating system evaluates funds based on their risk-adjusted performance, measured by Sharpe Ratio, Sortino Ratio and Information Ratio. The score for each ratio is calculated individually, covering all time periods from 2 to 10 years. The scores are then equally weighted in calculating a monthly FundGrade rating.

The FundGrade ratings are divided between five tranches from "A Grade" (superior performance) to "E Grade" (lower performance). The top 10% of funds earn an A Grade; the next 20% of funds earn a B Grade; the next 40% of funds earn a C Grade; the next 20% of funds receive a D Grade; and the lowest 10% of funds receive an E Grade. To be eligible, a fund must have received a FundGrade rating every month in the previous year. The FundGrade A+® uses a GPA (Grade Point Average) style calculation, where each monthly FundGrade rating from "A" to "E" receives a score from 4 to 0, respectively. A fund's average score for the year determines its GPA. Any fund with a GPA of 3.5 or greater is awarded a FundGrade A+® Award. The FundGrade grades are subject to change each month.
