

RGP Alternative Income Portfolio A

As of 31/05/2024

Fund Investment Objectives

The investment objective of the Fund is to provide unitholders with a total return (i) in the form of income and long-term capital appreciation, and (ii) that will generally move differently from returns of traditional equity and fixed income securities markets. The Fund primarily invests in alternative mutual funds and the asset of the Fund is primarily exposed to fixed income securities or others credit related products. The Fund may employ leverage, mainly through the underlying funds, which includes the use of derivatives, short selling and/or cash borrowing, up to an aggregate exposure limit of 300% of its NAV.
