## Notice – Fund price and profile

The financial information displayed on this website are provided by Morningstar Inc. The contents are provided for informational purposes only. No representations or warranties, express or implied, are made by Morningstar or RGO Investments in connection with the exactitude, quality or completeness of such information and data.

Morningstar data is owned by Morningstar. © 2020 Morningstar. All Rights Reserved. The information contained herein: (1) is proprietary to Morningstar and/or its content providers; (2) may not be copied or distributed; and (3) is not warranted to be accurate, complete or timely. Neither Morningstar nor its content providers are responsible for any damages or losses arising from any use of this information. Past performance is not a guarantee of future results.

RGP Investments Funds investment instructions received before 4:00 p.m. (Eastern Time Zone), on a day the Toronto Stock Exchange is open for business ("valuation date"), are carried out at the price in effect on that day. Instructions received after 4:00 PM (Eastern Time Zone), will be processed at the next valuation date's price.

The RGP Investments Funds are not guaranteed, their value fluctuates frequently, and their past performance is not indicative of their future returns. Please read the fund's prospectus or Fund Facts document before investing. Investors will pay management fees and expenses may pay commissions or trailing commissions. Investors may experience a gain or loss.

The indicated rates of return are the historical annual compounded total returns including changes in unit value and the reinvestment of all distributions and do not take into account sales, redemption, distribution, optional charges, or income taxes payable by any securityholder that would have reduced returns. The value of mutual funds change frequently and past performance may not be repeated.

Graphs are only used to illustrate the effects of the compound growth rate and do not reflect future values of any fund or returns on investment of any fund.

Assets allocation may total greater than/less than 100% due to rounding effects.
